*After two exhausting days, we were staggered and delighted at the interest shown from the whole range of attendees and exhibitors. From a charity wanting to use our tech to teach conservation to an internationally known hotel chain opening discussions on creating tours to highlight their locations across the UK and the globe.*

*Beyond a shadow of a doubt this year's show - ExCeL London was the best one yet. From the beautifully organising to the whole arrangement it was obvious to all who attended that you put great time and effort into making this event a big success. Thank you again for all that you do in coordinating this events. They wouldn't be the same without you!*
